## Superintendent's Highlights

Tremendous progress has been made by our primary grades in reading. A Cisco Academy is under implementation at Marsh Valley High School. I'm very proud of the improvements made by our band and choral programs. Many things have been accomplished in facility improvements. We are finishing up the third year of a very successful three year agreement with our teachers.

## Progress Towards Meeting District Goals

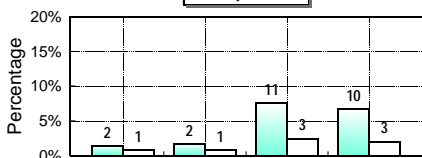

2000-01 Goals	Progress
90% of third graders will read at grade level.	Downey Elementary has met this reading goal.
90% technology certification for certified employees.	Our elementary schools are 100% certified.
Our buildings have all been brought up to ADA requirements.
